BP-22-04544	10/27/2022	RES ADDITION SINGLE/DUPLEX/GARAGE		30 year old deck is being replaced with all new materials including footings / piers. The replacement deck is going on the same footprint as the old one. The grade is pretty flat. Location of steps is moving a few feet east. Railing will be steel cable with wood posts - 11 runs of cable per. I have a family friend helping me with the project. He is an experienced builder. He has the city book for building decks and we will comply with all the requirements in that document.	303 SHARRON LN	ST CHARLES, CYNTHIA	\$15,000.00
