

## Billings City Administrator Weekly Report

July 7, 2023

- New City Hall Update** - This week at the new city hall project the wall framing continued on the 5th floor. Layout for framing around the existing columns on the 5th floor is nearing completion. Electrical conduit work in the basement and parking garage continued this week as well as some core drilling for this conduit work. New duct installation on the 5th floor is ongoing. Layout for duct penetrations through walls for framing coordination was worked on. Demo of a couple doors and framing in the north stair tower was completed and ready for new framing.
