

Billings City Administrator Weekly Report

April 5, 2024

1. **Leadership Billings, History, Culture & Tourism Day** – it was a great reminder of the wonderful assets we can so easily take for granted. Visit Billings, Art House, Zoo MT, YAM, Billings Symphony and a great presentation on air service was given by Jeff.
2. **Refugee Update** - Over the last three months, Lutheran Family Services Rocky Mountains has built up its Billings-based team, strengthened relationships with all facets of our community, and solidified referral mechanisms with all core service providers in preparation for the arrival of our first refugee family. This week LFSRM's Program Director notified our national partner, Global Refuge, that we are ready to begin the formal process. The first family may be Arabic-speaking (a language spoken by LFSRM's Case Manager) and would likely arrive towards the end of April. Specific details of family composition, language, and country of origin are not known until we "assure" the case the end of the first week of April. We look forward to a warm welcome and sustainable integration into our community.
3. **BSED Member Investor Luncheon** – First Federal Bank and Trust hosted the event. The round table discussion included leadership from CHS, KOA, Merrill Lynch, Moulton Bellingham, United Properties, Turley Dental, First Federal B&T and BSED. We discussed recent successes and issues each of the private firms is facing.
4. **2026 Airshow** – The group who pulled off such a successful airshow last summer met with us to discuss a proposal to host the next airshow in 2026.
5. **City of Billings Grant Funding Update** – Please see the attached Rose Park Trail Phases II Receives Partial Funding Program Grant update.
6. **Park and Recreation News** - With the arrival of spring here in Montana, Billings Parks & Recreation is looking forward to the highly anticipated opening of the StrikeZone Batting Cages at Stewart Park! We have a projected opening date of the week of April 8th (weather, staffing, and maintenance concerns pending). April & May hours will be 4-7pm Monday through Friday, 10am-8pm on Saturdays, and 12-6pm on Sundays.

Update on Grant Funding Received by the City of Billings April 2024

Rose Park Trail Phases II Receives Partial Funding

The Montana Department of Fish, Wildlife, and Parks has notified the City that its application has received conditional and partial funding. Rose Park extends from 22nd Street West and Avenue B to the BBWA Canal and Rose Park Elementary School.

Image credit: Billings City/County Planning staff

City planning has received notice of conditional and partial grant funding from Montana Fish, Parks, and Wildlife in the amount of \$50,000. The award must go through a public notice process at the state level prior to formal award. The City had applied for \$100,000 in funding to help build a trail segment connecting the new Phase I trail (red) to the Rose Park trail system (yellow line indicates the portion to be built with this new award). The light blue dotted line indicates a portion of the project that would have replaced broken concrete on the existing path in the park. This portion was not funded. Both phases of the Rose Park Trail will be built in 2025.

More About This Project

The Rose Park Trail as currently planned will:

- connect Rose Park Elementary School with neighborhoods - most notably the apartment complexes on and around Avenue C west of Rose Park.
- provide recreational walking, riding, rolling, and running for more than half a mile parallel to the BBWA Canal.
- allow residents north of the Canal to access Rose Park (via a pedestrian bridge) without needing to cross streets.
- provide residents and visitors with access to the northern section of Rose Park.

A Night of Diplomacy and Harmony: Mayor's World Languages Dinner Lights Up Billings for Third Year with US Ambassador to Slovakia and World-Renowned Musicians

Billings, Montana - The Mayor's World Languages Dinner returns for its third year, once again uniting the diverse cultures that define Montana's largest city. Hosted by Mayor Bill Cole and Anne Cole, this annual gathering has become a cornerstone of our community, showcasing the richness of our cultural DNA and welcoming spirit.

In celebration of the unique contributions each culture brings to Billings, this year's dinner highlights over 60 languages spoken by area residents who hail from dozens of countries and tribal nations all around the globe. "Our event has no political agenda; it's about celebrating our friends and neighbors from all cultures, coming together to build connections and foster understanding," Mayor Cole emphasized.

Augmenting generous support received from local sponsors and volunteers, this year's event is further elevated by a significant grant awarded to Montana State University Billings' International Studies Program. According to Dr. Paul Milan Foster, Executive Director of the Office of International Studies at MSU Billings, "With this grant, we hope to further enhance cultural exchange programs in the region through supporting events like the Mayor's World Languages Dinner."

With great anticipation, this year's special guests include US Ambassador to Slovakia, Ambassador Gautam Rana, who will address the attendees, and the talented musicians of "Jozef Luptak and Friends" whose performance will be sure to captivate and inspire. Also new to this year's event are cultural artifacts and exhibits that will be on display.

Join us at the Mayor's World Languages Dinner as we come together to celebrate the melting pot that is Billings, foster friendships and connections, and build a brighter future for our growing city.

The event is already sold out, but interested parties are encouraged to follow the [event Facebook page](#) for updates. To get on the guest list for future events, please email worldlanguagesdinner.billings@gmail.com
