

Billings City Administrator Weekly Report

May 31, 2024

1. **Legislative Committee** – Immediate action requested. The Legislative Committee met in a special session this week to discuss an urgent issue before the Water Policy Interim Committee (WPIC) at the state legislature. Your action is requested NO LATER than **June 10, 2024**.

The issue: WPIC (Water Policy Interim Committee) recently voted in favor of new DEQ regulations that will require Billings to build a new \$100 million+ drinking water treatment plant at the end of the wastewater treatment plant.

Analysis: Based on multi-year studies of river water both upstream and downstream, Billings Water Quality Superintendent Louis Engels has determined this regulation will mean little-to-no water quality improvement for Billings residents (our water quality is already exceptional)—nor to the river as a whole. Of note: environmental groups also oppose these rules moving forward.

The ask: Call the Yellowstone County caucus, then call them again. Ask all representatives/senators to contact WPIC members and object to these rules before June 10, 2024. The committee needs to **invoke formal rule authority by the interim committee to STOP implementation.**

Timeline: June 10, 2024. This will not go to the legislature. This is the last chance.

2. **Budget & Finance Committee** – The committee discussed a series of potential budget amendments affecting PD, FD, Parks, MET, the Downtown and South Billings TIFs and the general fund. No action was taken; however, the committee will be meeting again June 6th from 9-11 to wrap up any recommended budget changes to the full council. The budget adoption public hearing is scheduled for June 10th. We also reported an error in the budget message and presentation regarding a Long-Range Planner II position. This position and costs ARE included in the recommended budget (approx. 1/3 of the funding to come from the MPO and the remainder is in the planning budget).
3. **Mentoring Kids** – Representatives from Big Brothers and Big Sisters, Boys and Girls Clubs and CASA met with the director team Tuesday discussing their programs and how the city can be more heavily involved in promoting employees to volunteer and participate. We will have a follow-up conversation in June.
4. **Dehler Park** – Meetings were held between the city, Mustangs and Legion Baseball to work through contract issues for this season. Dehler Park opened 16 years ago in 2008. The city has a capital investment fund for Dehler with an annual revenue of \$90k (\$60k Mustangs lease + \$30k city). To better meet the capital needs of the facility, \$1 is being added to each ticket sold this season by the Mustangs. This is expected to generate an additional ~\$40k to the fund. In 2019 the scoreboard replacement costs ~\$500k. Our next projects include foul ball protective netting along the baselines and the replacement of the infield and possibly outfield. We are looking to increase the use of Dehler Park by MSUB, High School Baseball, Legion, Mustangs, and alternative events to help broaden the base of use and financial support of Dehler Park. We are also working with the Mustang's to regain MLB affiliation.
