August 9, 2024

1. **Semi-Annual Report** – Please see the attached semi-annual report for the Police Department.
2. **City Office Relocations** – Starting August 12, 2024, City of Billings Code Enforcement, Building Division, Community Development, and City/County Planning Division will no longer be within the Miller Building. (also see attachment)

Our offices will be closed to the public on Friday, August 9, 2024, for the move. We will still be answering phone calls but will not accommodate walk-in customers. Building inspections will be limited and only critical inspections will be performed, so that our inspectors can help with the move.

Divisions will be located at the following temporary locations.

### **Planning Division:**

We apologize for any inconvenience this move may cause and assure you that our commitment to serving the community remains unchanged. For any inquiries or assistance, please contact us via phone or email as usual.

3. **Workforce Housing** – I had the opportunity meet with the Realtor’s Consulting Corps one on one yesterday and attend their summary presentation this morning. The Corps met with approximately 40 community stakeholders and provided 5 areas of recommendations. The full report will be delivered in October. Private public partnerships, land trusts, more efficient building configurations will all be a part of their detailed report.
4. **Code Enforcement Updates** – 605 Calhoun, a case was opened 2 years ago after suffering a fire. The building was boarded and had problems with trespassers into the structure. The property had an absent owner and was finally sold at foreclosure about 1 year ago. The new owner is remodeling the structure, and it is currently in compliance with city ordinance. All new windows, doors, garage door, and general cleanup of the property beginning to happen, last three pictures are what this property has become.
