

## Billings City Administrator Weekly Report

August 30, 2024

- Semi-Annual Report** – Please see the attached semi-annual report for the Planning and Community Services Department.
- Short-Term Hold Facility** - Yellowstone County Detention Center Addition Project is currently in design.

The city held a pre-application meeting with the architect, general contractor, and owner's representative on Monday, August 26, 2024. The city representatives included staff from planning, engineering, fire, and building divisions. The schedule put forth by the County is as follows:

Package #1: Demo, site work, and foundation - submit for permit on 9/4/24.

Package #2: Structural, steel and CMU design - submit for permit on 9/18/24.

Package #3: Interior fit out and full Construction Documents - submit for permit on 10/30/24.

The contractor intends to mobilize in early to mid-October. There are several things they will need to do for site prep and can complete that work prior to the permit being issued, so I do not foresee the permitting process affecting their work planned schedule.

The Building Division is committed to keeping the lines of communication open with the architect, contractor, and owner and we look forward to a successful completion of this project.

- Yellowstone County Generation Tour** – this morning I had an opportunity to tour the facility with the head of the Department of Commerce, BSED and about 20 community members. The 175-megawatt facility is critical to NWE base power to augment wind and solar power sources. The facility produces enough power to energize 175,000 homes.
- Nuisance Property Team** – 802 Yellowstone, the Colonial, graffiti and a handful of other properties were discussed. Administration, Code Enforcement, PD and RiverStone were all present their efforts are cleaning up properties throughout the city.
- Placer AI** – a couple dozen downtown business owners met to learn about Placer AI and how its data can be used to help businesses thrive. Through the relationships Placer AI has with apps like Life360 they have a tremendous amount of data to understand travel habits. The city would like to learn more in park and other public spaces utilization.
- City Office Relocations** – City of Billings Code Enforcement, Building Division, Community Development, and City/County Planning Division will no longer be within the Miller Building. The divisions are located at the following temporary locations. (See attached informational flyer.)

### **Planning Division:**

- Customer Services Counter:** Available at the Billings Public Works (The Depot) at 2224 Montana Avenue, Monday-Friday, 8am-5pm. A planner and senior planner will be available to assist with general planning inquiries, document drop-off/pick-up, and all other regular operations.

### **Building Division:**

- Customer Service Counter:** Available at the Billings Public Library, 510 N. Broadway, 2<sup>nd</sup> Floor Computer Classroom, Monday- Friday, 9am – 5pm. A permit technician and plans examiner will be available to help the public during these hours. Phones will be answered 8am - 5pm daily.

Submit all inspection requests to [inspections@billingsmt.gov](mailto:inspections@billingsmt.gov) and general questions to [permits@billingsmt.gov](mailto:permits@billingsmt.gov).

**Code Enforcement:**

- **Code Enforcement Clerk:** Available at the Billings Crime Prevention Center, 2910 Third Avenue N., Monday - Friday, 8am - 4:30pm.
- **Residential Code Enforcement Officer:** Mark Guy will also be housed at the Crime Prevention Center, Tuesday through Friday starting August 13<sup>th</sup>, 2024.
- **Code Enforcement Division Manager and Officers:** Will remain accessible via desk phone and email throughout this transition period.

**Community Development:**

- Community Development Division will continue to be contacted using staff contact information on the City's webpage [www.BillingsMT.gov/ComDev](http://www.BillingsMT.gov/ComDev)

**1. Next Week's Meetings/Task Forces**

- a. Labor Day, Monday, September 2<sup>nd</sup> – CITY OFFICES ARE CLOSED.
- b. North Park Task Force, Wednesday, September 4<sup>th</sup> 7:00 PM North Park Community Center.

# Planning Division

## Neighborhood Plan Updates

This year, the Planning Division has been actively engaged in significant initiatives. Planning staff has embarked on updating several of our neighborhood plans, with work already underway for two major plans. Updating these plans contribute towards compliance with the Montana Land Use Planning Act (SB 382).

**West End Plan** - The update to the West End Neighborhood Plan is progressing on schedule. The team conducted a public open house in March that was attended by 75 residents. In addition, two surveys were distributed to the area for input on details from the 2001 plan as well as thoughts for the future of the area. The Sanderson Stewart consulting team is currently reviewing transportation and land use within the plan area with an ultimate goal of developing a future land use map and a neighborhood plan that will help identify the future land use goals of the area.

**Heights Plan** - The Heights Neighborhood Plan was first completed in 2006, since then, numerous major transportation infrastructure projects have been completed and the area has seen significant growth and development. The update to the plan was initiated in August and the first public meeting is scheduled for later in September.

West End Neighborhood Plan Public Open House

## Unified Planning Work Program Development

The development of the Fiscal Year Unified Planning Work Program (UPWP) is an annual activity of the Billings MPO. The UPWP outlines the year's transportation planning projects as well as other planning efforts related to transportation conducted by Planning staff including review of zoning and subdivision applications, and projects. The UPWP follows the Federal Fiscal Year and runs from October 1st to September 30th annually. Some of the projects this year include a study of the function and potential improvements around the 21st underpass in downtown Billings, an update to the Complete Streets Policy Report, and a review of the MPO Boundary and Transportation Project List.

# Planning Division

## Pedestrian and Bicycle Master Plan Updates

The Pedestrian and Bicycle Master Plan is a blueprint for active transportation in the Billings urbanized area. The second phase of public outreach, where residents could share their feedback on the proposed network, recently concluded. Staff and consultants are now working on integrating this round of public comment into the plan, and will begin on prioritization of the project list.

### Mobilize the Magic City

Mobilize the MAGIC City is a project funded in part by the National Endowment for the Arts. Through the project, three creative placemaking hubs (aka public art installations) were implemented along Billings' first neighborhood bikeway to improve safety, walkability, and more. Artist-in-residence Terri Porta's pieces, Kids' Fridge (10th Ave. N and Ave. D) and Funky Frames (N. 32nd St. and Ave. C), were installed in April and May and artist Mariah Gladstone's piece Eternal Presence (7th Ave. N and N. 22nd St) was installed in June. While the grant has now ended, the leadership team is working on developing a public art policy for presentation to City Council in coming months.

# Community Development Division

## VISTA Projects

In June, the Billings Metro VISTA Project (BMVP) had the privilege of hosting some national AmeriCorps VIPs – including Carly Bruder, the Acting Chief Program Officer for the entire organization! Carly was joined by Region Administrator, Jill Sears, Senior Portfolio Manager, Julie Nash, and Portfolio Manager, Becca Beckham.

The guests visited with staff and current VISTAs about their projects, experiences, and the impact of service in the Billings community. They also got a chance to catch up with the AmeriCorps NCCC Team as they finished up their service project at Amend Park Community Garden. The BMVP was honored that AmeriCorps national staff chose to visit our city and learn more about the program.

# Community Development Division

## HUD-Funded Park Projects

Community Development staff is nearly finished coordinating the installation of parks improvement projects funded with U.S. Department of Housing & Urban Development (HUD) CARES Act funding received during the pandemic.

**North Park:** New 4-room accessible restroom, new adult exercise equipment, new shade shelter, concrete path bulb-outs to eliminate tripping hazards, and North Park Center electrical, plumbing, accessibility and HVAC improvements.

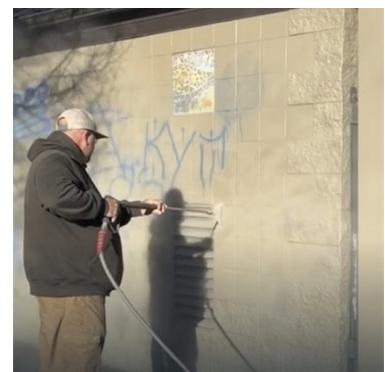

New North Park Restroom

New Exercise Equipment and Shade Shelter

**Pioneer Park:** Restroom and Zimmerman Center received electrical, plumbing and accessibility improvements, and the restroom near the tennis courts was painted and rain gutters installed. The "graffiti proof" paint has already proved useful!

**Commache Park:** New playground equipment, solar lighting, the City's first sensory pathway, a new basketball system and mural, sandstone boulders along the alley to prevent driving through the park, and the paving of adjacent streets.

Graffiti Removal - Pioneer Park Restroom

New Playground and Solar Lighting

New Basketball System & Mural

New Sensory Path

# Code Enforcement Division

## Code Enforcement Improving Neighborhoods

Code Enforcement has increased focus on graffiti removal around the city. In May 2024, the Graffiti Ordinance was amended to facilitate compliance with property owners, but still holds perpetrators accountable. Included in the ordinance update was a resolution establishing the Anti-Graffiti Fund Reward Program.

Graffiti removal around the city includes:

- A seasonal worker assigned to Code Enforcement has logged over 200 hours since May 2024 cleaning city-owned property (dumpsters, signs, light poles, signal boxes)
- An improved graffiti trailer has been used to clean over 24 locations around the city to date.
- Private property owners have been quick to respond as well with a 98% compliance rate.

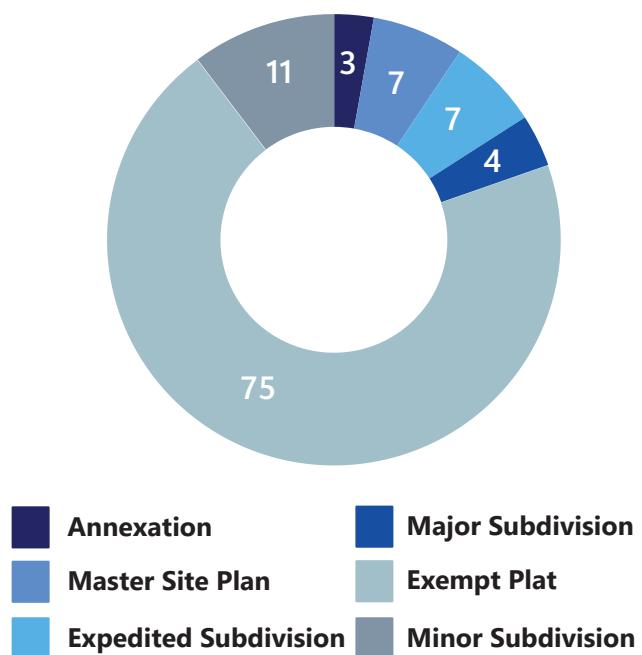

Billings Code Enforcement Truck equipped with Graffiti Trailer

It is our sincere hope that the citizens of Billings are seeing a significant improvement and will continue to support our efforts to keep Billings as graffiti-free as possible.

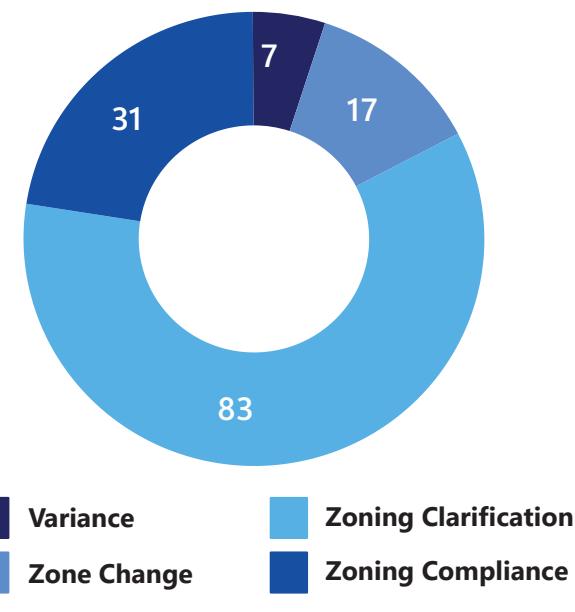

Improved Graffiti Tailer

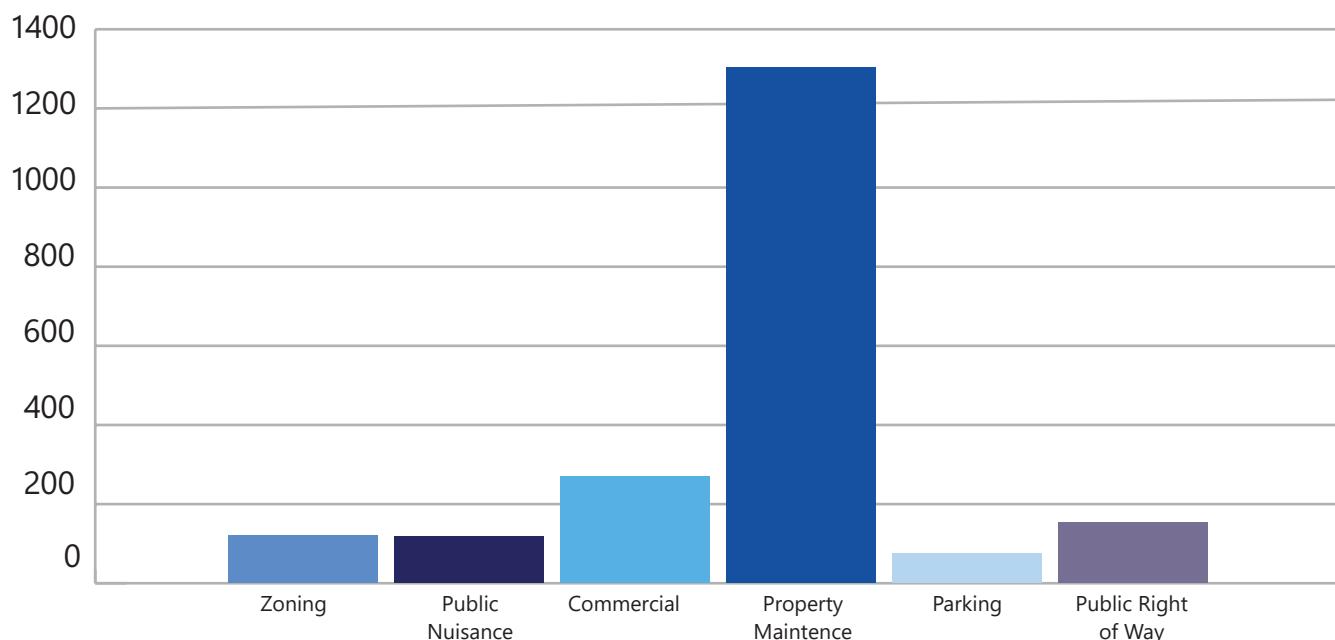

### Subdivision Submittals of 2024 Through August 1st

### Zoning Submittals of 2024 Through August 1st

### Code Enforcement Cases by Type 2024 Through August 1st
