

## Billings City Administrator Weekly Report

September 20, 2024

- 1. Youth Employment Grant Discussion** – The city (CM Owen, Ted Wilson and I), Billings Foundation and HRDC are collaborating on a juvenile and young adult employment grant opportunity.
- 2. SAC Executive Committee Meeting/CRU** – We had a couple meetings this week focused on the Crisis Response Units (CRU). We received written notice (see attached) from Rimrock Foundation that they can no longer supply behavioral health professionals. Next week we will discuss the pros and cons of using a request for qualifications (RFQ) approach rather than a request for proposals (RFP). An update on CRU is scheduled for the October 7<sup>th</sup> council work session.
- 3. Partners for Parks** – yesterday, the 3<sup>rd</sup> annual Mayor's Luncheon for Park Excellence was held at Pioneer Park. The group sold raffle tickets with some incredible prizes including a Cat/Griz weekend in Bozeman, Raiders/Broncos weekend in Las Vegas, 3-night 2-day Montana Fly Fishing Lodge, \$3,000 gas card, Granite Fitness family membership, side of beef. The event and raffle raised approximately \$45,000 for park improvements throughout the city.
- 4. Park & Recreation News** - Splash pad season has come to an end. Park's staff has begun winterizing splash pads. With over 100 irrigation systems to winterize staff must start the process in late September to ensure all are blown out before the ground starts to freeze. The schedule for winterization is splash pads and small irrigation systems first, then staff moves on to restrooms and larger systems, leaving the largest systems for last. The ditch, which provides irrigation water to most of the larger systems, goes out October 15<sup>th</sup>. The Parks Department is trying to have all the systems winterized by the end of October. (Please see attached updated Projects list.)
- 5. Montana Board of Regents** – Wednesday night I highlighted exciting projects throughout Billings to the board of regents and community leaders. Buchanon Capital hosted the event.
- 6. Next Week's Meetings/Task Forces**
  - a. Heights Task Force, Tuesday, September 24<sup>th</sup> 7:00 PM, Oasis, 543 Aronson.

September 4, 2024

Chris Kukulski  
City Administrator  
PO Box 1178  
Billings, MT 59101

Chris,

I hope this message finds you well. I am writing to formally notify you of Rimrock's decision to terminate their participation in the Billings Crisis Response Unit Program Agreement, effective October 4, 2024.

As it was understood when we put this together, this agreement was a pilot program to launch a mobile crisis response unit in Billings. A few factors played a major role in our decision to separate from the agreement: low call volume, delayed reimbursements, and difficulty finding qualified staff to participate in a first responder environment.

Although the State has been responsive to our requests and a good team member, it took a long time to receive payment for the services Rimrock provided. The schedule of payments for our services are listed below:

- October 2023 – November 2023 received January 22, 2024
- December 2023 received January 23, 2024
- January 2023 - May 2024 received June 19, 2024
- June 2024 received July 26, 2024
- July 2024 – pending

Another factor we took into consideration is the call volume. Since the program started in October 2023, the calls that the Crisis Response Unit received averaged less than 2 calls per day through June 2024. We understand this number will grow in the future. While this wasn't a factor when the program started as we were reimbursed from a Crisis Grant, it will be a factor moving forward as the funding source changed and

we will now bill the State for reimbursement. The call volume needs to grow substantially to support the labor costs of our Master CRU clinicians and care coordinators.

Finally, finding qualified clinicians per the Administrative Rules of Montana, who are willing to work in a first responder environment, proved difficult to find and retain at a labor cost that the MCRU program could sustain.

Rimrock is very proud of the efforts we put into the program and grateful for the relationship we have with the Billings Fire Department and the City of Billings. They are excellent partners who are passionate about delivering mental health services to the community and we are proud to work alongside them.

While we appreciate both the opportunity to further serve the community and the opportunity to cultivate new professional relationships, it is in Rimrock's financial interest to separate from the Billings Crisis Response Unit Program Agreement.

This decision has been made in accordance with the terms and conditions outlined in the program agreement entered on June 23, 2023 between Rimrock Foundation and the City of Billings. In accordance with the contract's termination provisions, we request that all parties complete any outstanding work and case management load. Please ensure that all documentation and materials related to the contract are returned to us and are properly handled.

If you have any questions or need further clarification regarding this termination, please contact me directly at 406.248.3175 (ext 412) or [jkeller@rimrock.org](mailto:jkeller@rimrock.org).

Sincerely,

Jeffrey Keller, CEO  
Rimrock Foundation
