

Billings City Administrator Weekly Report

May 2, 2025

- 1. Legislature** – SB542 and HB231 are in route to the Governor for his signature. Monday's city council packet includes a description of how these bills impact taxpayers and the city's property tax revenue. Under the legislation the median homestead homeowners will see a city tax reduction of approx. \$205 - \$305 in year 1 plus receive a \$400 property tax rebate. This is good news! The following email was shared this afternoon:

Dear City of Billings Employees,

We want to inform you of a significant financial development that may impact the City's operations and short and long-term planning.

Due to recent property tax legislation enacted at the state level, the City of Billings is facing a significant budget shortfall. This possible reduction in expected revenue could place considerable strain on our ability to maintain certain city services.

On Monday, May 5, 2025, the City Council will meet to review and discuss options to address this shortfall. Potential solutions currently under consideration include:

- Accepting the state's guidance to levy approx. 240 mills instead of 203 mills defined in our city charter cap. This removes any inflationary growth in 2025 and would require an additional \$2.3M be cut from the proposed FY2026 budget.
- Seeking voter approval to increase the number of mills currently capped by the City Charter.
- If the mill levy cap is not increased. Approximately \$10.9 million will need to be cut from the proposed FY2026 balanced budget.
- Reductions must come from property tax supported departments and divisions - PD, FD, parks, legal, courts, code enforcement, crime prevention, finance, HR, Admin, library and MET transit.

No decisions have been made at this time, but we want to be transparent with you and keep you informed about this situation and the steps being considered.

We value your dedication and service to the City of Billings and will continue to keep you informed as this process unfolds. Your continued professionalism during this time is greatly appreciated.

Sincerely, Chris Kukulski

- 2. Family Justice Center Conference** - Thank you for the opportunity to attend the conference with our FJC team. The work that is being done throughout North America and in Billings is both incredible and daunting. Our FJC partnership between the city and YWCA has a solid foundation.

3. **Code Enforcement Update** – Meat House project at 802 Yellowstone Avenue, requests for bids for asbestos abatement and lead-safe demolition have been posted. The mandatory bid walk through is scheduled for mid-May, with a bid closing date of May 23rd. Once bids are received, we can begin the selection process to proceed with the abatement and demolition of this building.
4. **Amend Recreation Center** – Please see the attached weekly update.
5. **Administrative Order 164** – The Information Technology, Cybersecurity and Policy Manual can be found here <https://www.billingsmt.gov/DocumentCenter/View/53646/AO-164-Repeals-AO-139-Technology-Cybersecurity-Policy-Manual>
6. **2024 Council Meeting Schedule** – Please review the attached draft agendas and provide any feedback regarding the order of business, modification of agenda items, or other changes to the consent or regular agendas. City code requires a specific order of business as it relates to certain items on meeting agendas, e.g., placement of public hearings first on the regular agenda, so your feedback will be incorporated with those code requirements in mind. [\(BMCC 2-214\)](#) Work session agendas are more flexible and can also easily be modified by the mayor with the consensus of Council during those informal meetings.
7. **Next Week's Meetings/Task Forces**
 - a. Budget and Finance Committee, Wednesday, April 30th 9:00 AM, Rimrock Conference Room, 316 N. 26th Street, 5th Floor.
 - b. North Park Task Force, Wednesday, May 7:00 PM, North Park Community Center.
