Dear Council,

Wanted to let you know, raising the two existing Stop Signs (on 36th North and South) and putting a little sign stating you must stop for through traffic is not a solution, and don't let the city engineers say it has always been that way. Two of my neighbors, along with myself, witnessed two city employees changing the signs. I do not want any City Administrator saying it has always been that way.

Sincerely

Jay Ettleman

Greetings Rimrock Neighbors -

I hope this email finds you enjoying the final days of 2025, and that you have wonderful plans for 2026!

A few updates as we close out 2025:

| | |
|---|--|
| <p>Mark your calendar!</p> <p>Our next meeting is</p> <p>Wednesday January 21 7pm</p> <p>Mayflower Building Corner of Rehberg & Poly</p> | <p>We have invited the mayor, vice-mayor and council members for Wards 1 and 4, to participate in a panel discussion with all of you.</p> <p>We believe that sharing the key issues for our RNTF area with these folks as we enter 2026 is important.</p> <p>While each of us can attend City Council meetings and share concerns, the format of those meetings doesn't lend itself to conversation as time is limited for each citizen.</p> <p>So January 21 will be a LISTENING and DISCUSSION session for our council.</p> <p>We hope you'll join us, and bring a friend along.</p> |
|  | <p>Here is a link I received from Sgt. Gunther to access updates to the crime reports for each task force area. I was hoping the current data would already be here, but I'm sure that will come soon. You may want to bookmark this for future reference.</p> <p>Monthly Task Force Reports City of Billings, MT - Official Website</p> |
| | <p>The Rimrock Corridor Safety Committee will meet on Tuesday January 13, 6pm, at the Library.</p> |

| | |
|---|--|
| <p>RIMROCK CORRIDOR</p>  | <p>We need just a few RNTF members to help us prioritize the safety concerns along Rimrock Road. This will ensure that we represent you well when we take these concerns to the City and ask for action.</p> <p>Please reach out by email if you have any questions: rimrocktaskforce@gmail.com</p> |
|  | <p>There were a few issues with “hearing” during our meeting in November.</p> <p>So we’re working on making sure we use a microphone so that all can be heard going forward.</p> |

Sincerely,
 Leslie Cooke, RNTF Chair
