Hello,

I am writing again as it appears the first did not go through.

Our community will inevitably have ICE searching for and harassing anyone not white, but not afraid to slaughter those that are in the way. We're seeing it in Minnesota. We're seeing it countrywide.

I want to implore how important it is that you speak up for all of Billings and refrain supporting this travesty.

This is not immigration enforcement, it is a campaign of terror. We're counting on you to stand up.

Sincerely,

Never, never, never do I want ICE in Billings, or anywhere in Montana, or anywhere else. They have shown their evil tactics already...it's inhumane, unlawful, evil, and unfounded.

Hear me roar... NO ICE!!!!

Hi there,

My name is Traci and I own a home in Billings. I have recently heard that people are requesting Billings cooperate with ICE. As an American citizen and proud Montanan, this is not okay. Immigrants are our neighbors, friends, and family; if Billings were to cooperate with ICE, the lives of the people I love and care about would be at risk. Not to mention, ICE is a terrorist organization meant to scare our citizens into submission. They do not serve and protect. They only endanger and threaten those around them. I am not okay with this. My friends and family are not okay with this. As the city council of Billings, it is YOUR DUTY to protect your constituents. And if you cooperate with ICE, you harm us all. Please do not cooperate with ICE.

Thank you,

Traci J

Dear BPD, Mayor Nelson, and Billings City Council:

Please do not agree to cooperate with ICE in any way.

Allowing ICE into our community will not assist/support the legitimate law enforcement efforts of the Billings Police Department (BPD); it will only cause fear and panic among our citizens. The BPD is accountable and an integral part of the safety and wellbeing of our community. ICE does not hold the same values and is not accountable to a local law enforcement agency or governmental entity.

I have lived in Billings for over 30 years. I believe that the BPD works to ensure the safety and wellbeing of our citizens and community under the watchful eye of our locally elected leaders.

I don't want the Billings community to become another Minneapolis where fear, disorder and chaos have been caused by the invasion of masked federal ICE troopers. Please allow BPD to do their work without unnecessary federal interference.

Thank you.

Hello,

My name is Kaitlyn. My family, my husband, my children, and I all love living in Billings, MT.

My family believes that ICE has no place here and that our police budget is more than adequate to address crime here. Please discourage ICE from coming here at all costs.

We are a place that has advocated Not in Our Town for decades. Let's keep up this principled energy in 2026.

Sincerely,

As a resident of Billings, I find it necessary to comment to City Council that encouraging the Billings Police Department to assist or aid ICE in any way directly contradicts their duties to protect and serve our community. ICE has proven to be violent and dangerous to everyone, regardless of citizenship, and is operating with total immunity from the law. Allowing the presence of ICE in this city is disgraceful. Any public servants that collaborate or comply with their criminal actions need to be held accountable for said crimes and dismissed from public service. When secret police come to terrorize our town, the BPD should be the first line of defense for the community, otherwise, what the hell do we pay them for? The power we instill them with comes with responsibility.

I am a registered voter in Billings and I want it known that I do not support having ICE in Billings. There are legal, humane ways to handle immigration concerns, and this is not it. Not only that, but innocent children and often citizens are being deported without due process. This is unacceptable. Montanans value liberty and the constitution; let's prove that by respecting due process.

Dear Mayor and City Council,

As a long time citizen of Billings I strongly oppose our police department cooperating with ICE.

The violence and death that has occurred in other states is unjust and inhumane.

Please keep our community safe and protected by NOT supporting ice's acts of violence.

Hello. I've heard you are getting a lot of info from anti-ice people. What they are doing is pure insanity!

We need ICE & Law Enforcement to get rid of illegals who are in our country. Many of these illegal aliens are here to cause chaos, are criminals & rapists, that are bringing drugs in, are sex trafficking kids, are laundering our tax payers money, are on our welfare, are getting things for free that Americans are not & refuse to assimilate into our country. There are many more horrifying things they are doing to our country too. If you don't think they are all here for the American dream then that is part of the problem.

Please support ICE & Law Enforcement . We need their help to make our country safe again!

American

Thank you. Joshua Michael

Agenda - Wednesday - January 21, 2026 - 7:00 pm
Mayflower Church Meeting Room (Rehberg & Poly)
Everyone is welcome!

1. Welcome, introduction of members, guests, public officials

- Approval of November minutes - Holly Schwarm, Board Secretary

2. Law Enforcement Update – Sgt. Glenn Gunther - BPD

3. Old Business Discussion

- Quick update on Rimrock Corridor Safety Committee priorities - Leslie Cooke
- Any other old business issues - everyone

4. 2026 Q&A Panel - Mayor, City Council and County Commission representatives

Board members will kick off questions, then open up to members for additional questions

We respectfully request that discussion be limited to no more than 10 minutes for each topic so that everyone who has questions has a chance to participate.

Additional discussion can continue at the end of the meeting.

5. New business items

Members are welcome to bring up other neighborhood concerns

6. Adjournment - feel free to stay and visit if you wish to continue discussion on any of the questions to the panel.

Neighbors helping neighbors:

FOOD DRIVE: We will collect non-expired, non-perishable food items to support neighbors in need. You can designate your donation to either the Education Foundation for Billings Public Schools, or to Mayflower Church's food program. Financial donations to either organization are also welcome.

- The Education Foundation for Billings Public Schools runs food insecurity programs for students at risk.
- Mayflower Church collects and distributes food helping local families.

**Although we are not affiliated with the Mayflower congregation,
they very graciously allow us the use of their building for our meetings*

THANK YOU MAYFLOWER!

Rimrock Neighborhood Task Force

Wednesday, November 19, 2025 - 7:00pm

Mayflower Church Meeting Room

Board members in attendance, Leslie Cooke - president, David Schwarm, Holly Schwarm - secretary

Leslie Cooke welcomed everyone to the meeting.

There were 30 people in attendance.

A quorum of 10 voting-eligible members were present.

Voting

We voted on Vice President. Simon Harper was nominated and elected. Voting was also held to accept new bylaws.

1. The city redid the boundaries for our Task Force to include houses on the south side of Rimrock Road. This includes houses that back onto Rimrock.
2. Currently the bylaws refer to quarterly meetings. We no longer have quarterly meetings. We meet every two months.
3. There has been a bit of confusion on section 9 of the bylaws, which talks about how bylaws can be changed. If the board proposes a bylaw change and puts it on the agenda

, then it will be voted on at the next meeting. If a member proposes a bylaw change, they must present their proposed change, in writing at a meeting. At the next meeting, it will be voted on.
4. If for any reason, Mayflower Church becomes unavailable for meetings, then the board will seek out a new location and communicate that through email and on the city's website.

A vote was held. The bylaws were accepted with no changes.

Crime Report

Sergeant Gunther of the Billings PD, spoke about crime in the Task Force area. He noted that the city now has Task Force reports on their website. You can click on a link that will take you to monthly incident reports. *Please note in the Traffic incident type category, there are two colors that say traffic collision. Purple indicates with injury and red is without injury. An injury can range from anything requiring the hospital all the way to a cut from broken glass that does not need medical intervention. (The labeling issue is being addressed.)

Stagecoach Trail

Brian Johnson from HDR engineering presented the Stagecoach Trail project. He discussed the selected option for the trail, #1, as well as funding sources. If you have questions or concerns please feel free to contact Brittany Cremer at 406-384-9823 or brittany.cremer@hdrinc.com Link to handout included in email.

Safe Routes to School

Scott Aspenlieder discussed the importance of prioritizing, safe routes to school projects over trail projects due to the cities, limited budget and maintenance challenges. He identified several projects that need completion before starting new trail projects as well as addressing city

infrastructure needs. There was a lot of discussion on trails vs safe school routes. It is important for community members to communicate their thoughts on transportation priorities to city council members.

Highway 3

An in person meeting was being held the next day to discuss the plan.

Rimrock Corridor Safety Committee (RCSC) Update

An update of recent activity by the RCSC was distributed, and will be emailed out to those who have opted in for updates. A request was made for volunteers to help prioritize safety improvements. A meeting to work on prioritization will be scheduled in January.

Airport Noise

Leslie asked if anyone was experiencing increased airport noise, as she has received a complaint about it. She said she has been in contact with the airport and will be talking with the air traffic control tower manager, and companies that also operate from the airport.

Meeting was adjourned.

Next meeting Wednesday, January 21, 2025 at 7:00pm Mayflower Church on the corner of Rehberg and Poly
