HUD's timeliness deadline is May 1, 2014. Overall, newer properties are not eligible for loans due to less deferred maintenance, holds City's investment well, and could meet Housing Quality Stands with investment, if eligible. Older properties are typically eligible for small loans due to extensive deferred maintenance, does not hold City's investment well, and there are problems meeting housing quality standards. The recommendation is to transfer \$175,000 in CDBG funding to the First Time Homebuyer Program.
