

RESOLUTION NO. 04-18150

WHEREAS, on May 24, 2004 the City Council approved an ordinance that entered into an Interlocal agreement with Yellowstone County and the City of Laurel to have the Yellowstone City-County Health Department (YCCHD) administer an Air Pollution Control Program for all three jurisdictions, and

WHEREAS, the revised management structure provided by the Interlocal agreement requires a number of simple revisions to the Air Pollution Control Program, and

WHEREAS, the revisions to the Air Pollution Control Program requires a duly noticed public hearing, and

WHEREAS, said public hearing was duly noticed by publication of a Notice of Public Hearing, published in the June 17th and June 24th issues of the Billings Times, and

AND WHEREAS, said public hearing was conducted at a duly constituted meeting of the City Council for the City of Billings, Montana, held on the 28th day of June, 2004.

NOW, THEREFORE BE IT RESOLVED BY THE BILLINGS CITY COUNCIL, that the attached Regulations and General Program Authority known as the *Yellowstone County Air Pollution Control Program*, are hereby ratified and approved.

APPROVED this 28th day June, 2004.
