**FOR IMMEDIATE RELEASE**

**BPL BIKE LIBRARY RETURNS FOR THE 2022 SEASON**

June 8, 2022

The Billings Public Library Bike Library is back on the road for the 2022 season! Dedicated to spreading the love of reading and lifelong learning by utilizing an eco-friendly mode of transportation through the streets of Billings, this initiative is designed to bring the library out into the community in unique settings.

The Bike Library features information about library services and events, library card sign-up, materials for check-out, access to Wi-Fi and other technology, free books, and other giveaway items. It will be present at a number of outdoor and remote library programs such as yoga in the park; ¡Hablar Conmigo!, a Spanish language conversation group; skate park events; and baby yoga. The Bike Library will also attend a number of community events such as the Tour de Fleur, Healthy by Design Gardener's Market, 406 Pride, the Strawberry Festival, and more.

For more information about the Bike Library and a full schedule of events, please visit our website: <https://billingslibrary.org/455/Bike-Library>

If you have any questions, or for more information, please contact Kelsie Rubich at [rubichk@billingsmt.gov](mailto:rubichk@billingsmt.gov) or (406) 247-8531.
