RESOLUTION RELATING TO \$380,000 POOLED SPECIAL
SIDEWALK, CURB, GUTTER AND ALLEY APPROACH
BONDS, SERIES 2006; CREATING SPECIAL SIDEWALK,
CURB, GUTTER AND ALLEY APPROACH FUND AND
PRESCRIBING COVENANTS OF THE CITY FOR THE
SECURITY OF THE HOLDERS OF THE BONDS

BE IT RESOLVED by the City Council (the "Council") of the City of Billings, Montana (the "City"), as follows:

Section 1. Recitals. It is hereby found, determined and declared as follows:

1.01 Sale of Pooled Special Sidewalk, Curb, Gutter and Alley Approach Bonds. This Council, by Resolution No. 06-18455, adopted July 24, 2006, authorized the issuance and public sale of pooled special sidewalk, curb, gutter and alley approach bonds of the City in the aggregate principal amount of \$380,000 (the "Bonds") for the purpose of financing the construction of certain sidewalks, curbs, gutter and alley approach projects (the "Projects"; each, a "Project") heretofore ordered by this Council pursuant to Resolution Nos. 03-17977, 04-18179, and 02-17923, adopted April 28, 2003, August 23, 2004, and October 28, 2002, respectively, and as set forth on Exhibit A hereto, as the Miscellaneous and Developer Related Improvements (the "Miscellaneous/Developer-Related Improvements (03-02)"), the Miscellaneous Improvement Project (the "Miscellaneous/Developer-Related Improvements (04-02)"), and the School Route Improvements (the "School Route Improvements") (collectively, the "Improvements"). Advertisements for bids for the purchase of the Bonds were published in accordance with the provisions of Montana Code Annotated, Sections 7-12-4204, 7-7-4252 and 17-5-106. After a public sale conducted in accordance with applicable statutory provisions and pursuant to the minutes of its August 14, 2006 meeting, this Council authorized the City to enter into a contract with Northland Securities, of Minneapolis, Minnesota (the "Original Purchaser"), as the lowest responsible bidder pursuant to which the Original Purchaser agreed to purchase from the City the Bonds at a purchase price of \$373,920.00, plus accrued interest thereon from the date of original issue of the Bonds, at the rates of interest set forth in Section 2.01 hereof and upon the further terms set forth in this resolution resulting at a net interest cost of 4.663557% per annum and a total dollar interest cost of \$122,262.92.

In Resolution Nos. 03-17977, 04-18179, and 02-17923, adopted April 28, 2003, August 23, 2004, and October 28, 2002, respectively, this Council found that it is in the public interest, and in the best interest of the City and the properties, to secure payment of principal of and interest on the Bonds by the Special Improvement District Revolving Fund of the City, on the basis of the factors required to be considered under Section 7-12-4225 of the Act. Those findings are hereby ratified and confirmed.

1.02 Costs. It is currently estimated that the costs and expenses to be assessed against properties benefited by the Improvements, including costs of preparation of plans, specifications, maps, profiles, engineering superintendence and inspection, preparation of assessment rolls, expenses of making the assessments, the cost of work and materials under the construction

contract and all other costs and expenses, including the deposit of proceeds in the Revolving Fund, is not less than \$380,000 (\$171,518.85 for the Miscellaneous/Developer-Related Improvements (03-02), \$148,743.01 for the Miscellaneous/Developer-Related Improvements (04-02), and \$59,738.14 for the School Route Improvements). Such amount will be levied and assessed upon the assessable real property benefited by the Improvements. This Council has jurisdiction and is required by law to levy and assess such amount, to collect such special assessments and credit the same to the pooled special sidewalk, curb, gutter and alley approach sinking fund created for the Improvements, which fund is to be maintained on the official books and records of the City separate from all other City funds, for the payment of principal and interest when due on the bonds herein authorized.

1.03 Compliance with Constitution and Statutes. All acts, conditions and things required by the Constitution and laws of the State of Montana, including Montana Code Annotated, Title 7, Chapter 14, Part 41, and Title 7, Chapter 12, Parts 41 and 42, as amended, in order to make the Bonds valid and binding special obligations in accordance with their terms and in accordance with the terms of this resolution have been done, do exist, have happened and have been performed in regular and due form, time and manner as required.

Section 2. \$380,000 Pooled Special Sidewalk, Curb, Gutter and Alley Approach Bonds, Series 2006.

2.01 Principal Amount, Maturities, Date, Denominations and Interest Rate. For the purpose of paying the costs and expenses incurred in the construction of the Improvements and in anticipation of the collection of special assessments to be levied therefor, and in accordance with the public offering and contract of sale described in Section 1.01, the City shall forthwith issue and deliver to the Purchaser its Pooled Special Sidewalk, Curb, Gutter and Alley Approach Bonds, Series 2006, in the aggregate principal amount of \$380,000, payable solely from the 2006 Pooled Special Sidewalk, Curb, Gutter and Alley Approach Sinking Fund of the City (the “2006 Sidewalk Sinking Fund”). The Bonds shall bear an original issue date and be registered as of September 1, 2006, and shall be issued in the form of fully registered bonds of single maturities in denominations of \$5,000 or any integral multiple thereof.

The Bonds shall mature on July 1 in the years and amounts set forth below, subject to prior redemption, and shall bear interest from the date of original registration to their respective maturities or prior dates upon which they have been duly called for redemption at the rates per annum set forth opposite such years and amounts, respectively:

Stated Maturity (July 1)	Principal Amount	Interest Rate
2007	\$ 20,000	3.900%
2008	25,000	4.000
2012*	120,000	4.250
2015*	100,000	4.400
2018*	115,000	4.550

*Term bond subject to mandatory sinking fund redemption as set forth in Section 2.05 below.

Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months. Principal of and interest on the Bonds are payable in lawful money of the United States of America. Upon the original delivery of the Bonds or upon transfer or exchange of Bonds, the Registrar (as hereinafter defined) shall date each Bond so delivered as of the date of its authentication.

2.02 Method of Payment. The Bonds shall be issuable only in fully registered form, and the ownership of the Bonds shall be transferred only upon the bond register of the City hereinafter described. The interest on, and upon presentation and surrender thereof at the principal office of the Registrar described herein, the principal amount of each Bond at the principal office of the Registrar described herein, the amount payable with respect thereto, shall be payable by check or draft issued by the Registrar.

2.03 Interest Payment Dates. Interest on the Bonds shall be payable semiannually on each January 1 and July 1, commencing January 1, 2007, to the owners of record thereof as such appear in the bond register as of the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day.

2.04 Registration. The City hereby appoints U.S. Bank National Association, of Seattle, Washington to act as bond registrar, transfer agent and paying agent (the "Registrar"). The City reserves the right to appoint a bank, trust company or fiscal company as successor bond registrar, transfer agent or paying agent, as authorized by the Model Public Obligations Registration Act of Montana (the "Act"), but the City agrees to pay the reasonable and customary charges of the Registrar for the services performed. This Section 2.04 shall establish a system of registration for the Bonds as defined by the Act. The effect of registration and the rights and duties of the City and the Registrar with respect thereto shall be as follows:

(a) Bond Register. The Registrar shall keep at its principal office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of the transfer of any Bond or principal installment thereof to be selected or called for redemption. No transfer or exchange of a Bond shall affect its order of registration for purposes of redemption pursuant to Section 2.05.

(c) Exchange of Bonds. Whenever any Bond is surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Bonds

of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney duly authorized in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer of Bonds or exchange of Bonds (except for an exchange upon the partial redemption of any Bond pursuant to Section 2.05), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the City and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen or lost Bond has already matured or such Bond has been called for redemption in accordance with its terms, it shall not be necessary to issue a new Bond prior to payment.

2.05 Redemption.

(a) Optional Redemption of Bonds. The Bonds with stated maturities on or before July 1, 2012 shall not be subject to optional redemption prior to maturity, but Bonds having stated maturity dates in the years 2015 and later years, in addition to being subject to mandatory

sinking fund redemption, are each subject to redemption and prepayment at the option of the City, in whole or in part, and if in part in principal amounts and from Stated Maturities selected by the City, and within a Stated Maturity in \$5,000 principal amounts selected by lot or such other manner as determined by the Paying Agent, on July 1, 2012 and any date thereafter, at a price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date, without premium.

(b) Mandatory Sinking Fund Redemption of Series 2006 Term Bonds.

The Bonds having Stated Maturities in 2012, 2015, and 2018 are subject to mandatory sinking fund redemption on July 1 in the respective years and the respective principal amounts set forth below, in \$5,000 principal amounts selected by the Registrar, by lot or other manner it deems fair, at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued thereon to the redemption date:

Stated Maturity of Term Bonds <u>(July 1)</u>	Sinking Fund Payment Date <u>(July 1)</u>	Principal Amount on Sinking Fund Payment Date
2012	2009	\$30,000
\$30,000	2010	30,000
	2011	30,000
2015	2013	\$30,000
\$35,000	2014	35,000
2018	2016	\$ 35,000
\$40,000	2017	40,000

The Registrar shall select the Series 2006 Term Bonds to be redeemed on each Sinking Fund Payment Date in accordance with Section 2.04, and the Bonds selected by the Registrar shall become due and payable on such date. The City may reduce the amount of any Mandatory Sinking Fund Payment payable on any Sinking Fund Payment Date or Dates by an amount equal to the principal amount of Outstanding Series 2006 Term Bonds then to be redeemed that shall be surrendered uncanceled by the City to the Registrar; provided that the City shall have surrendered such Series 2006 Term Bonds to the Registrar not less than forty-five days before the first such Sinking Fund Payment Date, together with a City Certificate stating its election to use such Series 2006 Term Bonds for such purpose and designating the Sinking Fund Payment Date or Dates as to which such credit is to be applied (if no such designation is made, such credits shall be applied in inverse order of Sinking Fund Payment Dates). In such case, the City may reduce the amount of Bonds to be redeemed on the Sinking Fund Payment Date or Dates so determined by the principal amount of Series 2006 Term Bonds so surrendered by the City.

If Series 2006 Term Bonds are redeemed at the option of the City pursuant to Subsection (a) of this Section 2.05, the Bonds so optionally redeemed may, at the option of the City, be applied as a credit against any subsequent Mandatory Sinking Fund Payment or Payments with respect to Series 2006 Term Bonds, such credit to be equal to the principal amount of such Series 2006 Term Bonds redeemed pursuant to Subsection (a) of this Section 2.05; provided that the City shall have delivered to the Registrar not less than forty-five (45) days before the first such Sinking Fund Payment Date a City Certificate stating its election to apply such Series 2006 Term Bonds as such a credit and designating the Sinking Fund Payment Date or Dates as to which such credit is to be applied (if no such designation is made, such credits shall be applied in inverse order of Sinking Fund Payment Dates). In such case, the City may reduce the amount of Bonds to be redeemed on the Sinking Fund Payment Date or Dates so determined by the principal amount of Bonds of the same Stated Maturity so redeemed pursuant to Subsection (b) of this Section 2.05.

Any credit given to Mandatory Sinking Fund Payments pursuant to this Section 2.05(b) shall not affect any other Mandatory Sinking Fund Payments, which shall remain payable as otherwise provided in this Section 2.05(c), unless and until another credit is given in accordance with the provisions hereof.

(c) Notice of Redemption. The Financial Services Manager shall cause notice of redemption, stating the series, the amount, the serial numbers, the maturities, the CUSIP numbers and the interest rates of the Bonds or portions thereof called for redemption, to be mailed to the Registrar, the Paying Agent and to the registered owner of each Bond to be redeemed at his address shown in the Bond Register not less than 30 days before the redemption date therefor; provided that any defect in or failure to give such mailed notice shall not affect the validity of proceedings for the redemption of any Bond not affected thereby. Notice of the call of any Bond for redemption having been mailed as herein provided, and funds sufficient for the payment thereof with accrued interest having been deposited with the Paying Agent on or before the redemption date, interest on such Bond shall cease to accrue on said date, and the Owner shall have no further rights with respect thereto or under the Resolution except to receive the redemption price so deposited.

In addition to the notice prescribed by the preceding paragraph, the Financial Services Manager shall also give, or cause the Bond Registrar to give, notice of the redemption of any Bond or Bonds or portions thereof at least 35 days before the Redemption Date by certified mail, telecopy or express delivery service to the Original Purchaser of the Bonds and all registered securities depositories then in the business of holding substantial amounts of obligations of the character of the Bonds (such depositories now being The Depository Trust Company, of New York, New York) and the one or more national information services that disseminate information regarding municipal bond redemptions; provided that any defect in or any failure to give any notice of redemption prescribed by this paragraph shall not affect the validity of the proceedings for the redemption of any Bond or portion thereof.

2.06 Execution, Registration and Delivery of Bonds. The Bonds shall be prepared under the direction of the City Clerk and shall be executed on behalf of the City by the signatures of the Mayor, the Financial Services Manager and the City Clerk and sealed with the official seal of the City; provided that the seal and all signatures may be printed, engraved or lithographed

facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificate of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. The Bonds shall be registered in order of their serial numbers by the Financial Services Manager as of September 1, 2006, and the Bonds shall be delivered by the Registrar to the Original Purchaser upon payment of \$373,920.00, which represents a discount of \$6,080.00, for the principal of the Bonds plus accrued interest from the registration date to the date of such delivery and payment. The Original Purchaser shall not be obligated to see to the application of the purchase price, but from the proceeds of the Bonds the Financial Services Manager shall credit forthwith the balance of such proceeds to the Construction Subaccounts in the respective Project Accounts in the 2006 Sidewalk Sinking Fund to be used solely for the payment of the cost and expenses necessarily incurred in the construction of the Improvements and costs of issuance and sale of the Bonds, except that the accrued interest received shall be deposited in the Interest Subaccounts in the respective Project Accounts in the 2006 Sidewalk Sinking Fund and applied in payment of interest on the Bonds when due.

2.07 Form of Bonds. The Bonds shall be prepared in substantially the form set forth in Montana Code Annotated, Section 7-12-4203, as more fully set forth in Exhibit B hereto and by this reference made a part hereof.

2.08 Application of Proceeds. The Original Purchaser shall not be obligated to see to the application of the purchase price. The Financial Services Manager shall credit forthwith the proceeds of the Bonds as follows:

(a) Deposit to the credit of the Interest Subaccounts in the respective Project Accounts in the 2006 Sidewalk Sinking Fund the amount of accrued interest, if any, paid by the Original Purchaser thereof to the date of delivery of the Bonds, in proportion to the principal amounts of the Bonds allocable to each of the Projects, as set forth in Section 1.02, which will be applied to payment of interest on the Bonds when due;

(b) Deposit \$19,000.00 to the Revolving Fund (\$8,575.94 for the Miscellaneous/Developer-Related Improvements (03-02), \$7,437.15 for the Miscellaneous/Developer-Related Improvements (04-02), and \$2,986.91 for the School Route Improvements); and

(c) Deposit the balance of the proceeds to the Construction Subaccounts in the respective Project Accounts, in proportion to the principal amounts of the Bonds allocable to each of the Projects, including costs of issuance, to be used for the purposes described in Section 3.02.

Section 3. 2006 Pooled Special Sidewalk, Curb, Gutter and Alley Approach Sinking Fund.

3.01 2006 Sidewalk Sinking Fund. The 2006 Sidewalk Sinking Fund is hereby created and designated as the “2006 Pooled Special Sidewalk, Curb, Gutter and Alley Approach Sinking Fund.” The 2006 Sidewalk Sinking Fund shall be maintained as a separate bookkeeping account by the Financial Services Manager on the books and records of the City. Within the 2006 Sidewalk Sinking Fund there shall be maintained separate accounts for the Miscellaneous/Developer-Related Improvements (03-02), the Miscellaneous/Developer-Related Improvements (04-02), and the School Route Improvements shown on Exhibit A hereto, designated accordingly (collectively, the “Project Accounts”). Within each Project Account there shall be maintained three separate subaccounts, designated as the “Construction Subaccount,” the “Principal Subaccount” and the “Interest Subaccount,” respectively.

3.02 Construction Subaccounts. There shall be credited to the Construction Subaccount in each of the Project Accounts the proceeds of the sale of the Bonds, less any interest accrued thereon to the date of delivery to the Purchaser. All costs and expenses of constructing the Improvements to be paid from proceeds of the Bonds shall be paid from time to time as incurred and allowed from the Construction Subaccount in the respective Project Accounts in accordance with the provisions of applicable law, and moneys in such Construction Subaccount shall be used for no other purpose; provided that after all claims and expenses with respect to the Improvements have been fully paid and satisfied, any moneys remaining in the Construction Subaccount shall be transferred to the Principal Subaccount in the Project Account for the Project and applied to the redemption of Bonds.

3.03 Principal Subaccounts and Interest Subaccounts. Moneys in the Principal Subaccounts and the Interest Subaccounts shall be used only for payment of the principal of and interest on the Bonds as such payments become due, or to prepay and redeem Bonds. Upon the collection of the installment of principal and interest due on November 30 and May 31 of each year on the special assessments to be levied with respect to the Improvements, the Financial Services Manager shall credit to the Interest Subaccounts in the respective Project Accounts so much of said special assessments as is collected as interest payment, and credit the balance of such assessments to the Principal Subaccounts. Any installment of any special assessment paid prior to its due date with interest accrued thereon to the nearest bond call date shall be credited with respect to principal and interest payments in the same manner as other assessments are credited to the 2006 Sidewalk Sinking Fund. All moneys in the Interest Subaccounts and the Principal Subaccounts shall be used first to pay interest due, and any remaining moneys shall be used to pay Bonds then due and, if moneys are available, to redeem Bonds or principal installments thereof in accordance with Section 2.05; provided that any money transferred to the Principal Subaccount from the Construction Subaccount pursuant to Section 3.02 or any prepaid special assessments shall be applied to redeem Bonds or principal installments thereof to the extent possible on the next interest payment date for which notice of redemption may properly be given pursuant to Section 2.05. Redemption of Bonds from the Principal Subaccount shall be in order of the principal installments they represent as provided in Section 2.05, and interest shall be paid from the Interest Subaccount as accrued thereon to the date of redemption, in accordance with the provisions of Montana Code Annotated, Sections 7-12-4206.

3.04 Loans From Revolving Fund. The Council shall annually or more often if necessary issue an order authorizing a loan or advance from the Special Improvement District Revolving Fund to each of the Project Accounts in an amount sufficient to make good any deficiency then existing in the Interest Subaccount in the Project Account, and shall issue an order authorizing a loan or advance from the Revolving Fund to the Project Account in an amount sufficient to make good any deficiency then existing in the Principal Subaccount of the Project Account, to the extent that moneys are available in the Revolving Fund. Pursuant to Ordinance No. 1096 and in connection with the public offering of the Bonds, the City has undertaken and agreed to provide funds for the Revolving Fund by levying such tax or making such loan from the General Fund as authorized by Montana Code Annotated, Section 7-12-4222. In the event that the balance on hand in the Revolving Fund fifteen days prior to any date when interest is due on special improvement district bonds and sidewalk, curb, gutter and alley approach warrants of the City is not sufficient to make good all deficiencies then existing in the improvement district fund or sidewalk, curb, gutter and alley approach fund for which the City has promised to make loans from the Revolving Fund, the balance on hand in the Revolving Fund shall be allocated to the funds in which such deficiencies then exist in proportion to the amounts of the deficiencies on the respective dates of receipt of such money, until all interest accrued on such special improvement district bonds and sidewalk, curb, gutter and alley approach warrants of the City has been paid. On any date when all accrued interest on special improvement district bonds and sidewalk, curb, gutter and alley approach warrants of the City payable from funds for which the City has promised to make loans from the Revolving Fund has been paid, any balance remaining in the Revolving Fund shall be loaned or advanced to the improvement district fund or sidewalk, curb, gutter and alley approach fund for payment and redemption of bonds or warrants to the extent the improvement district fund or sidewalk, curb, gutter and alley approach fund is deficient for such purpose, in an amount proportionate to the amount of such deficiency.

The City hereby determines, covenants and agrees to levy the property tax described in the immediately preceding paragraph to provide funds for the Revolving Fund so long as any Bonds are outstanding to the extent required under the provisions of this Resolution and the Act, even though such property tax levy may, under applicable law or provisions of the home rule charter of the City, require that property tax levies of the City for other purposes be reduced correspondingly.

Section 4. City Covenants. The City covenants and agrees with the holders from time to time of each of the Bonds that until all of the Bonds and interest thereon are fully paid:

4.01 Compliance with Covenants. The City will hold the 2006 Sidewalk Sinking Fund and the Special Improvement District Revolving Fund of the City created by Ordinance No. 1096, adopted June 3, 1930 (the "Revolving Fund"), as trust funds, separate and apart from all of its other funds, and the City, its officers and agents, will comply with all covenants and agreements contained in this resolution. The covenants hereinabove made with respect to the 2006 Sidewalk Sinking Fund and the Revolving Fund are in accordance with the undertaking and agreement of the City made in connection with the public offering of the Bonds and the sale of the Bonds as set forth in Section 1.01.

4.02 Construction of Improvements. The City will do all acts and things necessary to enforce the provisions of the construction contracts entered into or to be entered into for the Improvements and to ensure the completion of the Improvements in accordance with the plans and specifications therefor and within the time therein provided, and will pay all costs thereof promptly as incurred and allowed, out of the Project Accounts in the Construction Subaccount and within the amount of the bond proceeds appropriated thereto.

4.03 Assessments. The City will do all acts and things necessary for the final and valid levy of special assessments upon all assessable property benefited by the Improvements, in accordance with the Constitution and laws of the State of Montana and the Constitution of the United States, in an aggregate principal amount not less than \$380,000. of which \$171,518.85 shall be assessed against properties benefited by the Miscellaneous/Developer-Related Improvements (03-02), \$148,743.01 for the Miscellaneous/Developer-Related Improvements (04-02), and \$59,738.14 for the School Route Improvements. Such special assessments shall be levied on each lot or parcel of land in front of which sidewalks, curbs and gutters are to be constructed and each lot or parcel of land having an access via the alley approach and, unless prepaid in full, shall be payable in equal semiannual installments over a period of twelve years, each installment being due in an amount equal to one twenty-fourth (1/24th) of the principal amount of each assessment with interest on the whole amount remaining unpaid at an annual rate equal to the sum of: (i) the average annual interest rate then borne by the outstanding Bonds, plus (ii) one-half of one percent per annum (0.50%), interest being payable with principal installments. The assessments to be levied will be payable on the 30th day of November in each of the years 2006 through 2017, and on the 31st day of May in the years 2007 through 2018. The first partial payment of each such assessment shall include interest on the entire assessment from September 1, 2006, the date of original registration of the Bonds, to January 1, 2007, and each subsequent partial payment shall include interest for six months on the unpaid balance of such special assessment. All installments of special assessments not paid in full on or before the date due shall become delinquent on that date. The assessments shall constitute a lien upon and against the property against which they are made and levied, which lien may be extinguished only by payment of the assessment with all penalties, cost and interest as provided in Montana Code Annotated, Section 7-12-4191. No tax deed issued with respect to any lot or parcel of land shall operate as payment of any installment of assessment thereon which is payable after the execution of such deed, and any tax deed so issued shall convey title subject only to the lien of said future installments, as provided in Montana Code Annotated, Section 15-18-309.

4.04 Re-assess and Re-levy. If at any time and for whatever reason any special assessment or tax herein agreed to be levied is held invalid, the City and this Council, its officers and employees, will take all steps necessary to correct the same and to re-assess and re-levy the same, including the ordering of work, with the same force and effect as if made at the time provided by law, ordinance or resolution relating thereto, and will re-assess and re-levy the same with the same force and effect as an original levy thereof, as authorized in Montana Code Annotated, Section 7-12-4186. Any special assessment, or re-assessment or re-levy shall, so far as practicable, be levied and collected as it would have been if the first levy had been enforced including the levy and collection of any interest accrued on the first levy.

If proceeds of the Bonds, including investment income thereon, are applied to the redemption of the Bonds, as provided in Montana Code Annotated, Sections 7-12-4205 and

7-12-4206, or if refunding bonds are issued and the principal amount of the outstanding bonds is decreased or increased, the City will reduce or increase, respectively, the assessments levied in the project area and then outstanding pro rata by the principal amount of such prepayment or the increment above or below the outstanding principal amount of bonds represented by the refunding bonds. The City and this Council, its officers and employees will re-assess and re-levy such assessments, with the same effect as an original levy, in such reduced or increased amounts in accordance with the provisions of Montana Code Annotated, Sections 7-12-4176 through 7-12-4178.

4.05 Litigation. There is now no litigation pending or, to the best knowledge of the City, threatened, questioning the validity or regularity of the ordering of the Improvements, any contract for construction of the Improvements, the levy and collection of special assessments as described herein or the undertaking and agreement of the City to make up any deficiency in the collection of special assessments through the levy of taxes and the making of advances from the Revolving Fund, or the right and powers of the City to issue the Bonds, or in any manner questioning the existence of any condition precedent to the exercise of the City's powers in these matters. If any such litigation should be initiated or threatened, the City will forthwith notify in writing the Original Purchaser, and will furnish the Original Purchaser a copy of all documents, including pleadings, in connection with such litigation.

Section 5. Tax Matters.

5.01 General Covenant. The City covenants and agrees with the owners from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

5.02 Arbitrage Certification. The Mayor, the City Clerk and the Financial Services Manager, being the officers of the City charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds, it is reasonably expected that the proceeds of the Bonds will be used in a manner that would not cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations.

5.03 Arbitrage Rebate. The City acknowledges that the Bonds are subject to the rebate requirements of Section 148(f) of the Code. The City covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Treasury Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no "gross proceeds" of the Bonds (other than amounts constituting a "bona fide debt service fund") arise during or after the expenditure of the original proceeds

thereof. In furtherance of the foregoing, the Mayor, City Clerk and Financial Services Manager are hereby authorized and directed to execute a Rebate Certificate, substantially in the form to be prepared by Bond Counsel, and the City hereby covenants and agrees to observe and perform the covenants and agreements contained therein, unless amended or terminated in accordance with the provisions thereof.

5.04 Information Reporting. The City shall file with the Secretary of the Treasury, not later than November 15, 2006, a statement concerning the Bonds containing the information required by Section 149(e) of the Code.

5.05 “Qualified Tax-Exempt Obligations.” Pursuant to Section 265(b)(3)(B)(ii) of the Code, the City hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. The City has not designated any obligations in 2006 other than the Bonds under Section 265(b)(3), except \$851,000 Pooled Special Improvement District Bonds (Special Improvement District Nos. 1368, 1370 and 1373), Series 2006. The City hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265(b)(3) of the Code and including “qualified 501(c)(3) Bonds” but excluding other “private activity bonds,” as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the City and all “subordinate entities” of the City in 2006 in an amount greater than \$10,000,000.

Section 6. Authentication of Transcript. The officers of the City are hereby authorized and directed to furnish to the Original Purchaser and to the attorneys approving the legality of the Bonds certified copies of all proceedings relating to the issuance of the Bonds and such other certificates and affidavits as may be required to show the right, power and authority of the City to issue the Bonds, and all statements contained in and shown by such instruments, including any heretofore furnished, shall constitute representations of the City as to the statements contained therein.

Section 7. Defeasance.

7.01 General. When the liability of the City on all Bonds issued under and secured by this Resolution has been discharged as provided in this Section 7, all pledges, covenants and other rights granted by this Resolution to the owners of the Bonds shall cease.

7.02 Payment. The City may discharge its liability with reference to any Bond, principal installment thereof or installment of interest thereon which is due on any date by depositing with the Registrar on or before that date a sum sufficient and providing proceeds available for the payment thereof in full; or if any Bond or installment of interest thereon shall not be paid when due, the City may nevertheless discharge its liability with reference thereto by depositing with the Registrar a sum sufficient and providing proceeds available for the payment thereof in full with interest accrued to the date of such deposit.

7.03 Redemption. The City may also discharge its liability with reference to any prepayable Bonds which are called for redemption on any date in accordance with their terms by depositing with the Registrar on or before that date an amount equal to the principal and interest

which are then due thereon; provided that notice of such redemption has been duly given as provided in this Resolution.

7.04 Defeasance by Escrow. The City may also at any time discharge its liability in its entirety with reference to the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without reinvestment, to provide funds sufficient to pay all principal and interest to become due on all Bonds on or before maturity or, if any Bond has been duly called for redemption or provision irrevocably made therefor, on or before the designated redemption date.

7.05 Irrevocable Deposits. If an officer of the City is the Registrar, any deposit made under this Section 7 with the Registrar shall be irrevocable and held for the benefit of the owners of Bonds in respect of which such deposits have been made.

Section 8. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the original purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the “SEC”) under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the “Rule”), which will enhance the marketability of the Bonds, the City hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the Outstanding Bonds. The District is the only “obligated person” in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. The District has complied in all material respects with any undertaking previously entered into by it under the Rule.

If the City fails to comply with any provisions of this Section 8, any person aggrieved thereby, including the Owners of any Outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this Section 8, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder. Notwithstanding anything to the contrary contained herein, in no event shall a default under this Section 8 constitute a default under the Bonds or under any other provision of this resolution.

As used in this Section 8, “Owner” or “Bondowner” means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any “Beneficial Owner” (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, “Beneficial Owner” means, in respect of a Bond, any person or entity which (i) has the power, directly or indirectly, to vote or consent with

This Bond is payable from the collection of a special tax or assessment levied upon all assessable property benefitted by the Improvements. This Bond is not a general obligation of the City.

The City has also validly established a Special Improvement District Revolving Fund (the "Revolving Fund") to secure the payment of certain of its special improvement district bonds and sidewalk, curb, gutter and alley approach bonds or warrants, including the Series 2006 Bonds. The City has also agreed, to the extent permitted by the Act, to issue orders annually authorizing loans or advances from the Revolving Fund to the 2006 Special Sidewalk, Curb, Gutter and Alley Approach Sinking Fund (the "2006 Sidewalk Sinking Fund"), in amounts sufficient to make good any deficiency in the 2006 Sidewalk Sinking Fund to pay principal of or interest on the Series 2006 Bonds, to the extent that funds are available in the Revolving Fund, and to provide funds for the Revolving Fund by annually making a tax levy or loan from its general fund in an amount sufficient for that purpose, subject to the limitation that no such tax levy or loan may in any year cause the balance in the Revolving Fund to exceed five percent of the principal amount of the City's then outstanding special improvement district bonds and sidewalk, curb, gutter and alley approach bonds and warrants secured thereby and the durational limitations specified in the Act. While any property tax levy to be made by the City to provide funds for the Revolving Fund is subject to levy limits under current law, the City has agreed in the Bond Resolution to levy property taxes to provide funds for the Revolving Fund to the extent described in this paragraph and, if necessary, to reduce other property tax levies correspondingly to meet applicable levy limits.

The Bonds with stated maturities on or before July 1, 2012 shall not be subject to optional redemption prior to maturity, but Bonds having stated maturity dates in the years 2013 and later years, in addition to being subject to mandatory sinking fund redemption, are each subject to redemption and prepayment at the option of the City, in whole or in part, and if in part in principal amounts and from Stated Maturities selected by the City, and within a Stated Maturity in \$5,000 principal amounts selected by lot or such other manner as determined by the

Paying Agent, on July 1, 2012 and any date thereafter, at a price equal to the principal amount thereof to be redeemed plus interest accrued to the redemption date, without premium.

The Bonds having Stated Maturities in 2012, 2015, and 2018 are subject to mandatory sinking fund redemption on July 1 in the respective years and the respective principal amounts set forth below, in \$5,000 principal amounts selected by the Registrar, by lot or other manner it deems fair, at a redemption price equal to the principal amount thereof to be redeemed plus interest accrued thereon to the redemption date:

<u>Stated Maturity of Term Bonds (July 1)</u>	<u>Sinking Fund Payment Date (July 1)</u>	<u>Principal Amount on Sinking Fund Payment Date</u>
2012	2009	\$30,000
\$30,000	2010	30,000
	2011	30,000
2015	2013	\$30,000
\$35,000	2014	35,000
2018	2016	\$ 35,000
\$40,000	2017	40,000

The Registrar shall select the Series 2006 Term Bonds to be redeemed on each Sinking Fund Payment Date in accordance with the Bond Resolution, and the Bonds selected by the Registrar shall become due and payable on such date. The City may reduce the amount of any Mandatory Sinking Fund Payment payable on any Sinking Fund Payment Date or Dates by an amount equal to the principal amount of Outstanding Series 2006 Term Bonds then to be redeemed that shall be surrendered uncanceled by the City to the Registrar; provided that the City shall have surrendered such Series 2006 Term Bonds to the Registrar not less than forty-five days before the first such Sinking Fund Payment Date, together with a City Certificate stating its election to use such Series 2006 Term Bonds for such purpose and designating the Sinking Fund Payment Date or Dates as to which such credit is to be applied (if no such designation is made, such credits shall be applied in inverse order of Sinking Fund Payment Dates). In such case, the City may reduce the amount of Bonds to be redeemed on the Sinking Fund Payment Date or Dates so determined by the principal amount of Series 2006 Term Bonds so surrendered by the City.

If Series 2006 Term Bonds are redeemed at the option of the City pursuant to the Bond Resolution, the Bonds so optionally redeemed may, at the option of the City, be applied as a credit against any subsequent Mandatory Sinking Fund Payment or Payments with respect to Series 2006 Term Bonds, such credit to be equal to the principal amount of such Series 2006 Term Bonds redeemed pursuant to the Bond Resolution; provided that the City shall have

delivered to the Registrar not less than forty-five (45) days before the first such Sinking Fund Payment Date a City Certificate stating its election to apply such Series 2006 Term Bonds as such a credit and designating the Sinking Fund Payment Date or Dates as to which such credit is to be applied (if no such designation is made, such credits shall be applied in inverse order of Sinking Fund Payment Dates). In such case, the City may reduce the amount of Bonds to be redeemed on the Sinking Fund Payment Date or Dates so determined by the principal amount of Bonds of the same Stated Maturity so redeemed pursuant to the Bond Resolution.

Any credit given to Mandatory Sinking Fund Payments pursuant to the Bond Resolution shall not affect any other Mandatory Sinking Fund Payments, which shall remain payable as otherwise provided in the Bond Resolution, unless and until another credit is given in accordance with the provisions hereof.

As provided in the Bond Resolution, and subject to certain limitations set forth therein, this Bond is transferable upon the books of the City at the operations center of the Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or his attorney; and may also be surrendered in exchange for Series 2006 Bonds of other authorized denominations. Upon such transfer or exchange, the City will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The City and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the City nor the Registrar shall be affected by any notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that all things required to be done precedent to the issuance of this Bond have been properly done, happened and been performed in the manner prescribed by the laws of the State of Montana and the resolutions and ordinances of the City of Billings, Montana, relating to the issuance hereof; and that the opinion attached hereto is a true copy of the legal opinion given by Bond Counsel with reference to the Series 2006 Bonds, dated the date of original issuance and delivery of the Series 2006 Bonds.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication hereon shall have been executed by the Registrar by the manual signature of one of its authorized representatives.
